Under this ZAR30,000,000,000 Domestic Medium Term Note Programme (the “**Programme**”), Redefine Properties Limited (the “**Issuer**”) may from time to time issue notes (the “**Notes**”), which expression shall include Senior Notes and Subordinated Notes (each as defined herein) denominated in any currency agreed by the Issuer and the relevant Dealer(s) (as defined herein) and further subject to all applicable laws and, in the case of Notes listed on the Interest Rate Market of the JSE (as defined herein) or such other Financial Exchange(s) (as defined herein) as may be determined by the Issuer and the relevant authority, the debt listing requirements of the JSE Limited (the “**JSE**”) or such other Financial Exchange(s), that are subject to the terms and conditions (the “**Terms and Conditions**”) contained in this Programme Memorandum. Any other terms and conditions not contained in the Terms and Conditions that are applicable to any Notes, replacing or modifying the Terms and Conditions, will be set forth in a pricing supplement (the “**Applicable Pricing Supplement**”).

Capitalised terms used in this Programme Memorandum (as defined herein) are defined in the section of this Programme Memorandum headed “*Terms and Conditions of the Notes*”, unless separately defined, and/or in relation to a Tranche of Notes, in the Applicable Pricing Supplement.

As at the Programme Date (as defined herein), the Programme Amount is ZAR30,000,000,000. This Programme Memorandum will apply to the Notes issued under the Programme in an aggregate outstanding Nominal Amount which will not exceed ZAR30,000,000,000 unless such amount is increased by the Issuer pursuant to the section of this Programme Memorandum headed “*General Description of the Programme*”.

The Notes may comprise, without limitation, Fixed Rate Notes, Floating Rate Notes, Mixed Rate Notes, Zero Coupon Notes and/or such combination of the foregoing Notes and/or such other type of Notes as may be determined by the Issuer and the relevant Dealer(s) and specified in the Applicable Pricing Supplement. Notes will be issued in individual Tranches which, together with other Tranches, may form a Series of Notes. A Tranche of Notes will be issued on, and subject to, the Terms and Conditions, as replaced, amended and/or supplemented by the terms and conditions of that Tranche of Notes set out in the Applicable Pricing Supplement.

This Programme Memorandum has been registered with the JSE. A Tranche of Notes may be listed on the Interest Rate Market of the JSE or on such other or additional Financial Exchange(s) as may be determined by the Issuer, subject to all applicable laws. Unlisted Notes may also be issued under the Programme. Claims against the BESA Guarantee Fund may only be made in respect of the trading of Notes listed on the Interest Rate Market of the JSE in accordance with the rules of the BESA Guarantee Fund. The Notes may be issued on a continuing basis and be placed by one or more of the Dealers specified under the section headed “*Summary of Programme*” and any additional Dealer appointed under the Programme from time to time by the Issuer, which appointment may be for a specific issue or on an ongoing basis. References in this Programme Memorandum to the “**relevant Dealer**” shall, in the case of Notes being (or intended to be) placed by more than one Dealer, be to all Dealers agreeing to place such Notes.

As at the Programme Date, the Issuer is rated, however the Programme and/or the Notes are not rated but may after the Programme Date be rated by a Rating Agency (as defined herein) on a national scale or international scale basis. Unrated Tranches of Notes may also be issued. The Applicable Pricing Supplement will reflect the Rating, if any, which has been assigned to the Issuer and/or the Programme and/or a Tranche of Notes, as the case may be, as well as the Rating Agency or Rating Agencies which assigned such Rating(s). GENERAL DESCRIPTION OF THE PROGRAMME

Capitalised terms used in this section headed “General Description of the Programme” shall bear the same meanings as used in the Terms and Conditions, except to the extent that they are separately defined in this section or this is clearly inappropriate from the context.

The Issuer may from time to time issue one or more Tranches of Notes under the Programme, pursuant to the Terms and Conditions, provided that the aggregate outstanding Nominal Amount of all of the Notes issued under the Programme from time to time does not exceed the Programme Amount.

A Tranche of Notes may be listed on the Interest Rate Market of the JSE or on such other or additional Financial Exchange(s) as may be determined by the Issuer, subject to applicable laws. Unlisted Notes may also be issued under the Programme. The Applicable Pricing Supplement will specify whether or not a Tranche of Notes will be listed and, if so, on which Financial Exchange. If the Issuer issues a Tranche of unlisted Notes or a Tranche of Notes is listed on any Financial Exchange other than (or in addition to) the JSE, the Issuer will, by no later than the last day of the month of issue of that Tranche of Notes, inform the JSE in writing of the aggregate Nominal Amount and the Maturity Date (if any) of that Tranche of Notes.

This Programme Memorandum and any supplement will only be valid for the issue of Notes in an aggregate outstanding Nominal Amount which does not exceed ZAR30,000,000,000 or its equivalent in other currencies. For the purpose of calculating the South African Rand equivalent of the aggregate Nominal Amount of the Notes issued under the Programme from time to time, the South African Rand equivalent of the Notes denominated in another Specified Currency (as specified in the Applicable Pricing Supplement) shall be determined as of the date of agreement to issue such Notes (the “**Agreement Date**”) on the basis of the spot rate for the sale of the South African Rand against the purchase of such Specified Currency in the South African foreign exchange market quoted by any leading bank selected by the Issuer on the Agreement Date (the “**Conversion Rate**”) and in respect of:

- (a) Zero Coupon Notes and other Notes, the Conversion Rate shall be applied to the net subscription proceeds received by the Issuer for the relevant issue; and
- (b) Index-Linked Notes, the Conversion Rate shall be applied to the Nominal Amount regardless of the amount paid up on such Notes.

From time to time the Issuer may wish to increase the Programme Amount. Subject to the Applicable Procedures, all applicable laws and the Programme Agreement (as defined in the section headed “*Subscription and Sale*”), the Issuer may, without the consent of Noteholders, increase the Programme Amount by delivering a notice thereof to the Noteholders in accordance with Condition 17 (*Notices*) of the Terms and Conditions, and to the Arrangers, the Dealer(s) and the JSE. Upon such notice being given to the Noteholders and the conditions set out in the Programme Agreement to the exercise of this right having been met, all references in this Programme Memorandum (and each agreement, deed or document relating to the Programme and/or this Programme Memorandum) to the Programme Amount will be, and will be deemed to be, references to the increased Programme Amount set out in such notice.

As at the Programme Date, Issuer is rated, however the Programme and/or the Notes are not rated, but may after the Programme Date be rated by a Rating Agency, on a national scale or international scale basis. A Tranche of Notes may, on or before the Issue Date, be rated by a Rating Agency on a national scale or international scale basis. Unrated Tranches of Notes may also be issued. The Applicable Pricing Supplement will reflect the Rating, if any, which has been assigned to the Issuer and/or the Programme and/or a Tranche of Notes, as the case may be, as well as the Rating Agency or Rating Agencies which assigned such Rating or Ratings. A Rating is not a recommendation to subscribe for, buy, sell or hold any Notes. A Rating of the Programme and/or a Rating of a Tranche of Notes may be subject to revision, suspension or withdrawal at any time by the Rating Agency.

This Programme Memorandum will only apply to Notes issued under the Programme on or after the Programme Date.

A summary of the Programme and the Terms and Conditions appears below.

The relevant Participant will be treated by the Issuer, the Paying Agent, the Transfer Agent and the CSD as the holder of that aggregate Nominal Amount of such Notes for all purposes.
- 4.3.4. Beneficial Interests in Notes may be transferred only in accordance with the Applicable Procedures. Such transfers will not be recorded in the Register and the relevant Participant(s) will be reflected in the Register as the registered holders of such Notes, notwithstanding such transfers.

5. STATUS OF SENIOR NOTES

Senior Notes are direct, unconditional, unsubordinated and unsecured obligations of the Issuer and rank *pari passu* and rateably without any preference among themselves and (save for certain debts required to be preferred by law) equally with all other unsecured and unsubordinated obligations of the Issuer from time to time outstanding.

6. STATUS AND CHARACTERISTICS OF SUBORDINATED NOTES

- 6.1. Subordinated Notes constitute direct, unconditional, unsecured and subordinated obligations of the Issuer and rank *pari passu* among themselves and at least *pari passu* with all other present and future unsecured and subordinated obligations of the Issuer, save for those which have been accorded preferential rights by law.
- 6.2. Subject to applicable law, in the event of the dissolution of the Issuer or if the Issuer is placed into liquidation or wound-up or commences business rescue proceedings, the claims of the persons entitled to payment of amounts due in respect of the Subordinated Notes, shall be subordinated to all other claims in respect of any other indebtedness of the Issuer except for other Subordinated Indebtedness, to the extent that, in any such event, and provided as aforesaid, no amount shall be eligible for setting-off or shall be payable to any or all of the persons entitled to payment of amounts due in respect of the Subordinated Notes in respect of the obligations of the Issuer thereunder until all other indebtedness of the Issuer which is admissible in any such dissolution, insolvency, business rescue or winding-up (other than Subordinated Indebtedness) has been paid or discharged in full.

7. INTEREST

7.1. Fixed Rate Notes

- 7.1.1. Each Fixed Rate Note bears interest on its outstanding Nominal Amount from (and including) the Interest Commencement Date specified in the Applicable Pricing Supplement at the rate(s) per annum equal to the Fixed Rate of Interest so specified, payable in arrears on the Fixed Interest Payment Dates in each year up to and including the Maturity Date.
- 7.1.2. The first payment of interest will be made on the Fixed Interest Payment Date following the Interest Commencement Date.
- 7.1.3. Except as provided in the Applicable Pricing Supplement, the amount of interest payable per Note on each Fixed Interest Payment Date in respect of the Fixed Interest Period ending on (but excluding) such date will amount to the Fixed Coupon Amount, provided that:
- 7.1.3.1. if an Initial Broken Amount is specified in the Applicable Pricing Supplement, then the first Interest Amount shall equal the Initial Broken Amount specified in the Applicable Pricing Supplement; and
- 7.1.3.2. if a Final Broken Amount is specified in the Applicable Pricing Supplement, then the final Interest Amount shall equal the Final Broken Amount.

- 7.1.4. If interest is required to be calculated for a period other than a Fixed Interest Period, such interest shall be calculated by applying the Fixed Rate of Interest to each Specified Denomination, multiplying such sum by the applicable Day Count Fraction, as specified in the Applicable Pricing Supplement, and rounding the resultant figure to the nearest Sub-unit of the relevant Specified Currency, half such Sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

7.2. **Floating Rate Notes and Indexed Interest Notes**

Interest Payment Dates

Each Floating Rate Note and Indexed Interest Note bears interest on its outstanding Nominal Amount from (and including) the Interest Commencement Date specified in the Applicable Pricing Supplement, and such interest will be payable in arrears on the Interest Payment Date(s) in each year specified in the Applicable Pricing Supplement. Such interest will be payable in respect of each Interest Period. Interest in respect of any Interest Period shall accrue to and be paid on the relevant Interest Payment Date.

Rate of Interest

The Rate of Interest payable from time to time in respect of the Floating Rate Notes and Indexed Interest Notes will be determined in the manner specified in the Applicable Pricing Supplement.

Minimum and/or Maximum Rate of Interest

If the Applicable Pricing Supplement specifies a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of any such Interest Period determined in accordance with the above provisions is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest. If the Applicable Pricing Supplement specifies a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of any such Interest Period determined in accordance with the above provisions is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

Determination of Rate of Interest and Calculation of Interest Amount

The Calculation Agent, in the case of Floating Rate Notes and Indexed Interest Notes will at, or as soon as is practicable after, each time at which the Rate of Interest is to be determined, determine the Rate of Interest and calculate the Interest Amount payable in respect of each Floating Rate Note and Indexed Interest Note in respect of each Specified Denomination for the relevant Interest Period, and the Calculation Agent shall notify the Issuer of the Rate of Interest for the relevant Interest Period as soon as is practicable after calculating the same. Each Interest Amount shall be calculated by applying the Rate of Interest to the Specified Denomination, multiplying such sum by the applicable Day Count Fraction and rounding the resultant figure to the nearest Sub-unit of the relevant Specified Currency, half a Sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

Interest Determination, Screen Rate Determination including Fallback Provisions

Where ISDA Determination is specified in the Applicable Pricing Supplement as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the Applicable Pricing Supplement) the Margin (if any). For the purposes of this sub-paragraph, "**ISDA Rate**" for an Interest Period means a rate equal to the Floating Rate that would be determined by such agent as is specified in the Applicable Pricing Supplement under an interest rate swap transaction if that agent were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the most recent ISDA Definitions and under which:

- (a) the Floating Rate Option is as specified in the Applicable Pricing Supplement;
- (b) the Designated Maturity is the period specified in the Applicable Pricing Supplement; and
- (c) the relevant Reset Date is either (i) if the applicable Floating Rate Option is based on ZAR-JIBAR-SAFEX, the first day of that Interest Period; or (ii) in any other case, as specified in the Applicable Pricing Supplement.

For the purposes of the above sub-paragraph “**Floating Rate**”, “**Floating Rate Option**”, “**Designated Maturity**” and “**Reset Date**” have the meanings given to those terms in the ISDA Definitions specified in the Applicable Pricing Supplement.

Where Screen Rate Determination is specified in the Applicable Pricing Supplement as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject to the provisions below, be either:

- (a) if the Relevant Screen Page is available,
 - (i) the offered quotation (if only one quotation appears on the screen page); or
 - (ii) the arithmetic mean (rounded if necessary to the third decimal place, with 0.0005 being rounded upwards) of the offered quotations,

(expressed as a percentage per annum) for the Reference Rate which appears on the Relevant Screen Page as at 11h00 (or as otherwise specified in the Applicable Pricing Supplement) (Johannesburg time) on the Interest Determination Date in question plus or minus (as indicated in the Applicable Pricing Supplement) the Margin (if any), all as determined by the Calculation Agent. If five or more such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations; or
- (b) if the Relevant Screen Page is not available or if, in the case of (i) above, no such offered quotation appears or, in the case of (ii) above, fewer than three such offered quotations appear, in each case as at the time specified in the preceding paragraph, the Calculation Agent shall request the principal Johannesburg office of each of the Reference Banks to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at approximately 11h00 (Johannesburg time) on the Interest Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with such offered quotations, the Rate of Interest for such Interest Period shall be the arithmetic mean (rounded if necessary to the third decimal place with 0.0005 being rounded upwards) of such offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Calculation Agent; or
- (c) if the Rate of Interest cannot be determined by applying the provisions of (a) and (b) above, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the Calculation Agent determines as being the arithmetic mean (rounded if necessary to the third decimal place, with 0.0005 being rounded upwards) of the rates, as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks offered, at approximately 11h00 (Johannesburg time) on the relevant Interest Determination Date, deposits in an amount approximately equal to the nominal amount of the Notes of the relevant Series, for a period equal to that which would have been used for the Reference Rate to prime banks in the Johannesburg inter-bank market plus or minus (as appropriate) the Margin (if any). If fewer than two of the Reference Banks provide the Calculation Agent with such offered rates, the Rate of Interest for the relevant Interest Period will be determined by the Calculation Agent as the arithmetic mean (rounded as provided above) of the rates for deposits in an amount approximately equal to the nominal amount of the Notes of the relevant Series, for a period equal to that which would have been used for the Reference Rate, quoted at approximately 11h00 (Johannesburg time) on the relevant Interest Determination Date, by the Reference Banks plus or minus (as appropriate) the Margin (if any). If the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period, in place of the Margin relating to that last preceding Interest Period).

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the Applicable Pricing Supplement as being other than ZAR-JIBAR-SAFEX, the Rate of Interest in respect of such Notes will be determined as provided in the Applicable Pricing Supplement.

Notification of Rate of Interest and Interest Amount

The Issuer will cause the Rate of Interest for each Interest Period and the relevant Interest Payment Date to be notified to the Noteholders (in the manner set out in Condition 17), the Issuer and the CSD and, in relation to any Tranche of Notes listed on the Interest Rate Market of the JSE, to the JSE, as soon as possible after their determination but in any event no later than the 3rd (third) Business Day thereafter. The Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to the Issuer, the CSD and in relation to any Tranche of Notes listed on the Interest Rate Market of the JSE, to the JSE and to the Noteholders in accordance with Condition 17 (*Notices*).

The Issuer will, in relation to each Tranche of Notes, at least 3 (three) Business Days before each Interest Payment Date, cause the aggregate Interest Amount payable for the relevant Interest Period in respect of such Tranche of Notes to be notified through SENS to the Noteholders, the Issuer and the CSD and, in relation to any Tranche of Notes listed on the Interest Rate Market of the JSE, to the JSE.

Certificates to be Final

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this subparagraph 7.2, by the Calculation Agent shall (in the absence of wilful deceit, bad faith or manifest error or proven error) be binding on the Issuer and all Noteholders and in the absence as aforesaid no liability to the Issuer or the Noteholders shall attach to the Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

7.3. Dual Currency Notes

In the case of Dual Currency Notes, the Interest Rate or Interest Amount payable shall be determined in the manner specified in the Applicable Pricing Supplement.

7.4. Mixed Rate Notes

The Interest Rate payable from time to time on Mixed Rate Notes shall be the Interest Rate payable on the form of interest-bearing Note (be it a Fixed Rate Note, Floating Rate Note, Index-Linked Note or Dual Currency Note) specified for each respective period, each as specified in the Applicable Pricing Supplement. During each such applicable period, the Interest Rate on the Mixed Rate Notes shall be determined and fall due for payment on the basis that such Mixed Rate Notes are Fixed Rate Notes, Floating Rate Notes, Index-Linked Notes or Dual Currency Notes, as the case may be.

7.5. Accrual of Interest

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date of its redemption unless, upon due presentation thereof, payment of principal is improperly withheld or refused. In such event, interest will continue to accrue at the Default Rate specified in the Applicable Pricing Supplement until the date on which all amounts due in respect of such Note have been paid, or, in respect of uncertificated Notes, the date on which the full amount of the money payable has been received by the CSD and/or the Participants and notice to that effect has been given to Noteholders in accordance with Condition 17 (*Notices*).

7.6. Business Day Convention

If any Interest Payment Date (or other date), which is specified in the Applicable Pricing Supplement to be subject to adjustment in accordance with a Business Day Convention, falls on a day that is not a Business Day, then, if the Business Day Convention specified is:

- (a) the “**Floating Rate Business Day Convention**”, such Interest Payment Date (or other date) shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event: (i) such Interest Payment Date (or other date) shall be brought forward to the first preceding Business Day and (ii) each subsequent Interest Payment Date (or other date) shall be the last Business Day in the month which falls the number of months, or other period specified as the Interest Period in the Applicable Pricing Supplement, after the preceding applicable Interest Payment Date (or other date) has occurred; or
- (b) the “**Following Business Day Convention**”, such Interest Payment Date (or other date) shall be postponed to the next day which is a Business Day; or
- (c) the “**Modified Following Business Day Convention**”, such Interest Payment Date (or other date) shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date (or other such date) shall be brought forward to the first preceding Business Day; or
- (d) the “**Preceding Business Day Convention**”, such Interest Payment Date (or other date) shall be brought forward to the first preceding Business Day.

8. PAYMENTS

8.1. General

Payments of principal and/or interest on an Individual Certificate shall be made to the registered holder of such Note, as set forth in the Register on the close of business on the Last Day to Register (as specified in the Applicable Pricing Supplement). In addition to the above, in the case of a final redemption payment, the holder of the Individual Certificate shall be required, on or before the Last Day to Register prior to the Maturity Date, to surrender such Individual Certificate at the offices of the Transfer Agent.

Payments of principal and/or interest in respect of uncertificated Notes shall be made to the holders of Beneficial Interest in accordance with the Applicable Procedures, and the Issuer will be discharged of its payment obligations by proper payment to the CSD and/or the Participants, in respect of each amount so paid. Each of the persons shown in the records of the CSD and the Participants, as the case may be, shall look solely to the CSD or the Participant, as the case may be, for his share of each payment so made by the Issuer to the registered holder of such uncertificated Notes.

8.2. Method of Payment

Payments will be made in the Specified Currency by credit or transfer, by means of electronic settlement, to the Noteholder.

Payments will be subject in all cases to any fiscal or other laws, directives and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 10 (*Taxation*).

If the Issuer is prevented or restricted directly or indirectly from making any payment by electronic funds transfer in accordance with the preceding paragraph (whether by reason of strike, lockout, fire, explosion, floods, riot, war, accident, act of God, embargo, legislation, shortage of or breakdown in facilities, civil commotion, unrest or disturbances, cessation of labour, Government interference or control or any other cause or contingency beyond the control of the Issuer), the Issuer shall make such payment by cheque marked “*not transferable*” (or by such number of cheques as may be required in accordance with applicable banking law and practice to make payment of any such amounts). Such payments by cheque shall be sent by post to the address of the Noteholder as set forth in the Register or, in the case of joint Noteholders, the address set forth in the Register of that one of them who is first named in the Register in respect of that Note.

Each such cheque shall be made payable to the relevant Noteholder or, in the case of joint Noteholders, the first one of them named in the Register. Cheques may be posted by ordinary post, provided that neither the Issuer, nor the Paying Agent shall be responsible for any loss in transmission and the postal authorities shall be deemed to be the agent of the Noteholders for the purposes of all cheques posted in terms of this Condition 8.2.

In the case of joint Noteholders, payment by electronic funds transfer will be made to the account of the Noteholder first named in the Register. Payment by electronic transfer to the Noteholder first named in the Register shall discharge the Issuer of its relevant payment obligations under the Notes.

Payment will be subject in all cases to any fiscal or other laws, directives and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 10 (*Taxation*).

8.3. **Payment Day**

If the date for payment of any amount in respect of any Note is not a Business Day, subject to the applicable Business Day Convention, the holder thereof shall not be entitled to payment until the next following Business Day in the relevant place and shall not be entitled to further interest or other payment in respect of such delay.

8.4. **Interpretation of Principal and Interest**

Any reference in these Terms and Conditions to principal in respect of the Notes shall be deemed to include, as applicable:

- 8.4.1. any additional amounts which may be payable with respect to principal under Condition 10 (*Taxation*);
- 8.4.2. the Final Redemption Amount of the Notes or the Early Redemption Amount of the Notes, as the case may be;
- 8.4.3. the Optional Redemption Amount(s) (if any), as specified in the Applicable Pricing Supplement, of the Notes;
- 8.4.4. in relation to Instalment Notes, the Instalment Amounts;
- 8.4.5. in relation to Zero Coupon Notes, the Amortised Face Amount (as defined in Condition 9.8.3); and
- 8.4.6. any premium and any other amounts which may be payable by the Issuer under or in respect of the Notes, but excluding for the avoidance of doubt, interest.

Any reference in these Terms and Conditions to interest in respect of the Notes shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 10 (*Taxation*).

9. **REDEMPTION AND PURCHASE**

9.1. **Redemption at Maturity**

Unless previously redeemed or purchased and cancelled as specified below, each Note will be redeemed by the Issuer in the Specified Currency at its Final Redemption Amount specified in, or determined in the manner specified in, the Applicable Pricing Supplement on the Maturity Date.

9.2. **Redemption for Tax Reasons**

Notes may be redeemed at the option of the Issuer at any time (in the case of Notes other than Floating Rate Notes, Indexed Interest Notes or Mixed Rate Notes having an Interest Rate then determined on a floating or indexed basis) or on any Interest Payment Date (in the case of Floating Rate Notes, Indexed Interest Notes or Mixed Rate Notes), on giving not less than 30 (thirty) nor more than 60 (sixty) days' notice to the Noteholders prior to such redemption, in accordance with Condition 17 (*Notices*) (which notice shall be irrevocable), if the Issuer, immediately prior to the giving of such notice, is of the reasonable opinion that:

- 9.2.1. as a result of any change in, or amendment to, the laws or regulations of South Africa or any political sub-division of, or any authority in, or of, South Africa having power to tax, or any change or amendment which becomes effective after the relevant Issue Date, the Issuer is or would be required to pay additional amounts as provided or referred to in Condition 10 (*Taxation*); and
- 9.2.2. the requirement cannot be avoided by the Issuer taking reasonable measures available to it,

provided that no such notice of redemption shall be given earlier than 90 (ninety) days prior to the earliest date on which the Issuer would be obliged to pay such additional amounts were a payment in respect of the Notes then due. Notes may be redeemed by the Issuer in accordance with this Condition 9.2 in whole or in part. A redemption in part may be effected by the Issuer:

- 9.2.2.1. notwithstanding that such partial redemption may not entirely avoid such obligation to pay additional amounts as provided for or referred to in Condition 10 (*Taxation*); and
- 9.2.2.2. *mutatis mutandis* in the manner described in Condition 9.3 (*Redemption at the Option of the Issuer*), provided that the references to the giving of notice therein and to the Minimum Redemption Amount and the Higher Redemption Amount (both as specified in the Applicable Pricing Supplement) therein shall be disregarded for such purposes.

Notes redeemed for tax reasons pursuant to this Condition 9.2 will be redeemed at their Early Redemption Amount referred to in Condition 9.4 (*Redemption at the Option of the Senior Noteholders*), together (if appropriate) with interest accrued from (and including) the immediately preceding Interest Payment Date to (but excluding) the date of redemption or as specified in the Applicable Pricing Supplement.

9.3. **Redemption at the Option of the Issuer**

If the Issuer is specified in the Applicable Pricing Supplement as having an option to redeem, the Issuer may, having given not less than 30 (thirty) days nor more than 60 (sixty) days' irrevocable notice to the Noteholders in accordance with Condition 17 (*Notices*), redeem all or some of the Notes (to which such Applicable Pricing Supplement relates) then Outstanding on the Optional Redemption Date(s) and at the Optional Redemption Amount(s) specified in, or determined in the manner specified in, the Applicable Pricing Supplement, together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date(s).

Any such redemption must be of a Nominal Amount equal to the Minimum Redemption Amount or a Higher Redemption Amount, both as indicated in the Applicable Pricing Supplement.

In the case of a partial redemption of Notes, the Notes to be redeemed ("**Redeemed Notes**") will be selected individually by lot, in the case of Redeemed Notes represented by Individual Certificates, and in accordance with the Applicable Procedures in the case of Redeemed Notes which are uncertificated, and in each case not more than 30 (thirty) days prior to the date fixed for redemption (such date of selection being hereinafter called the "**Selection Date**").

In the case of Redeemed Notes represented by Individual Certificates, a list of the serial numbers of such Redeemed Notes will be published in accordance with Condition 17 (*Notices*) not less than 15 (fifteen) days prior to the date fixed for redemption. The aggregate Nominal Amount of Redeemed Notes represented by Individual Certificates shall bear the same proportion to the aggregate Nominal Amount of all Redeemed Notes as the aggregate Nominal Amount of Individual Certificates outstanding bears to the aggregate Nominal Amount of the Notes outstanding, in each case on the Selection Date, provided that such first mentioned Nominal Amount shall, if necessary, be rounded downwards to the nearest integral multiple of the Specified Denomination and the aggregate Nominal Amount of Redeemed Notes which are uncertificated shall be equal to the balance of the Redeemed Notes. No exchange of the relevant uncertificated Notes will be permitted during the period from and including the Selection Date to and including the date fixed for redemption pursuant to this sub-paragraph, and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 17 (*Notices*) at least 10 (ten) days prior to the Selection Date.

Holders of Redeemed Notes shall surrender the Individual Certificates, if any, representing the Notes in accordance with the provisions of the notice given to them by the Issuer as contemplated above. Where only a portion of the Notes represented by such Individual Certificates are redeemed, the Transfer Agent shall deliver new Individual Certificates to the Noteholders, as the case may be, in respect of the balance of the Notes.

9.4. **Redemption at the Option of the Senior Noteholders**

If Senior Noteholders are specified in the Applicable Pricing Supplement as having an option to request the redemption of Senior Notes, such Senior Noteholders may exercise such option in respect of such Senior Notes by delivering to the Transfer Agent, in accordance with Condition 17 (*Notices*), a duly executed notice ("**Put Notice**"), at least 30 (thirty) days but not more than 60 (sixty) days, prior to the Optional Redemption Date.

For redemption in part, the redemption amount specified in such Put Notice in respect of any such Senior Note must be of a principal amount equal to or greater than the Minimum Redemption Amount or equal to or less than the Higher Redemption Amount, each as indicated in the Applicable Pricing Supplement.

The redemption by the Senior Noteholders of uncertificated Senior Notes shall take place in accordance with the Applicable Procedures.

The Issuer shall proceed to redeem the Senior Notes in respect of which such option has been exercised in accordance with the terms of the Applicable Pricing Supplement, at the Optional Redemption Amount and on the Optional Redemption Date, together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date(s).

In the event that the redeeming Senior Noteholder is the holder of an Individual Certificate, then such Senior Noteholder shall deliver the Individual Certificate (attached to the Put Notice) to the Transfer Agent for cancellation. A holder of an Individual Certificate shall, in that holder's Put Notice, specify a bank account into which the redemption payment amount is to be paid.

The delivery of Put Notices shall be required to take place during normal office hours to the Issuer and Transfer Agent. Put Notices shall be available for inspection at the Specified Office of the Transfer Agent.

Any Put Notice given by a holder of any Senior Note pursuant to this paragraph shall be irrevocable except where after giving the notice but prior to the due date of redemption an Event of Default shall have occurred and be continuing in which event such Senior Noteholder, at its option, may elect by notice to the Issuer to withdraw the notice given pursuant to this paragraph and instead to declare such Senior Note forthwith due and payable pursuant to Condition 15 (*Events of Default*).

The Issuer shall have no liability to remedy any defects in any Put Notice or bring any such defects to the attention of any Noteholder.

9.5. **Redemption in the event of a Change of Control**

The provisions of this Condition 9.5 (*Redemption in the event of a Change of Control*) shall apply if specified in the Applicable Pricing Supplement.

- 9.5.1. A "**Change of Control Event**" shall occur if at any time while any Note remains Outstanding:
- (i) a Change of Control occurs; and
 - (ii) within the Change of Control Period and in respect of that Change of Control:
 - (A) a Rating Downgrade occurs in relation to the Issuer and/or the Programme and/or any Notes rated by a Rating Agency, as the case may be; or
 - (B) a Negative Rating Event occurs.
- 9.5.2. For the purposes of Condition 15.1.3, any Indebtedness which is in a currency other than South African Rand shall be converted into South African Rand at the spot rate for the sale of South African Rand against the purchase of the relevant currency quoted by any leading bank of South Africa selected on the date of such Event of Default.

15.2. **Subordinated Notes**

If the Issuer defaults in relation to Subordinated Notes in the payment of any amount payable in respect of such Notes, and such default continues for a period of 7 (seven) Business Days after receiving written notice from any of the holders of Subordinated Notes, or if an Event of Default as contemplated in Condition 15.1.5 occurs, any holder of a Subordinated Note may, subject as provided below, at its discretion and without notice, institute such proceedings against the Issuer as it may think fit to enforce the obligations of the Issuer under such Subordinated Notes, provided that the Issuer shall not be obliged, save in the case of liquidation, winding-up or business rescue proceedings, to pay any sum or sums sooner than the same would otherwise have been payable by it.

In the event of the winding-up, liquidation, whether finally or provisionally or business rescue

proceedings of the Issuer, otherwise than for the purposes of an amalgamation, merger, consolidation or re-organisation not involving liquidation, winding-up or bankruptcy, then any holder of Subordinated Notes issued by the Issuer may by written notice to the Issuer at its registered office, require that its Subordinated Notes are immediately due and repayable at their Early Redemption Amount together with the accrued interest to the date of payment, save that the Noteholders of Subordinated Notes may only receive payment once all the other creditors of the Issuer have been paid in full.

15.3. Notification of Event of Default

If the Issuer becomes aware of the occurrence of any Event of Default, the Issuer shall forthwith notify all Noteholders in accordance with Condition 17 (*Notices*), the Dealer(s) and the JSE in writing.

16. CALCULATION AGENT, TRANSFER AGENT AND PAYING AGENT

Any third party appointed by the Issuer as Calculation Agent, Transfer Agent, Paying Agent or otherwise shall act solely as the agents of the Issuer and does not assume any obligation towards or relationship of agency or trust for or with any Noteholders. The Issuer is entitled to vary or terminate the appointment of such agents and/or appoint additional or other agents and/or approve any change in the specified office through which any agent acts.

17. NOTICES

- 17.1. Subject to Condition 17.2, all notices (including all demands or requests under the Terms and Conditions) to the Noteholders will be valid if sent by electronic mail to their email addresses appearing in the Register or delivered by hand to their addresses appearing in the Register or published in a leading English language daily newspaper of general circulation in South Africa. Each such notice will be deemed to have been given, if sent by electronic mail, on the day of its sending, except that any such sending after 16h30 shall be deemed to have been received on the following day, if delivered in person or by courier, at the time of delivery or if published on the day of first, as the case may be.
- 17.2. For so long as the Notes are held in their entirety by the CSD, notice as contemplated in Condition 17.1 shall be by way of delivery by the Issuer of the relevant notice to the CSD for communication to the holders of Beneficial Interests.
- 17.3. Where any provision of the Terms and Conditions requires notice to be given to the Noteholders of any matter other than a meeting of Noteholders, such notice will be given *mutatis mutandis* as set out in Condition 17.1 and Condition 17.2, respectively, subject to compliance with any other time periods prescribed in the provision concerned.
- 17.4. All notices (including all communications, demands and/or requests under the Terms and Conditions) to be given by or on behalf of any Noteholder to the Issuer or the Transfer Agent, as the case may be, will be in writing and given by delivering the notice, by hand or by electronic mail, together with a certified copy of the relevant Individual Certificate, to the Specified Office of the Issuer or the Specified Office of the Transfer Agent, as the case may be, and marked for the attention of the chief executive officer. Any notice to the Issuer or the Transfer Agent, as the case may be, will be deemed to have been received by the Issuer or the Transfer Agent, as the case may be, on the second Business Day after being delivered by hand to the Specified Office of the Issuer or the Transfer Agent, as the case may be, or if sent by electronic mail to the Specified Office of the Issuer or the Transfer Agent, as the case may be, on the day of its sending, except that any such sending after 16h30 shall be deemed to have been received on the following day.
- 17.5. Whilst any of the Notes are held in uncertificated form, notices to be given by any holder of a Beneficial Interest to the Issuer shall be given by such holder through such holder's Participant in accordance with the Applicable Procedures.

- 17.6. In relation to any Tranche of Notes listed on the Interest Rate Market of the JSE, copies of any notices to Noteholders delivered as set out above, including of meetings and any amendments to the Terms and Conditions, shall be published on SENS.

18. AMENDMENT OF THESE CONDITIONS

- 18.1. Subject to Condition 18.2 the Issuer may effect, without the consent of any Noteholder, any amendment to the Terms and Conditions, which is of a technical nature or is made to correct a manifest error or to comply with mandatory provisions of any Applicable Laws. Any such amendment will be binding on Noteholders and such amendment will be notified to the JSE, in relation to any Tranche of Notes listed on the Interest Rate Market of the JSE, and the Noteholders in accordance with Condition 17 as soon as practicable thereafter.
- 18.2. In respect of an amendment that is neither of a technical nature nor made to correct a manifest error or to comply with mandatory provisions of any Applicable Laws, such amendment may be made only with the prior authorisation of an Extraordinary Resolution of (i) all of the Noteholders or (ii) the Noteholders of a particular Series of Notes or Class of Notes, as the case may be. The Issuer will call a meeting of all of the Noteholders or a meeting of the Noteholders of that Series or Class, as the case may be. Such meeting or meetings will be regulated by the provisions set out in Condition 19. No proposed amendment will be made to the Terms and Conditions until such amendment has been approved by Extraordinary Resolution at such meeting or meetings (or a written resolution in accordance with Condition 19.13). In relation to any Tranche of Notes listed on the Interest Rate Market of the JSE, the Issuer shall first obtain formal approval from the JSE in compliance with the JSE Debt Listings Requirements prior to delivery of such notice to Noteholders.

19. MEETINGS OF NOTEHOLDERS

19.1. Directions of Noteholders

- 19.1.1. The provisions with regard to meetings of Noteholders are set out in this Condition 19.
- 19.1.2. Every director, the secretary of and the attorney to the Issuer and every other person authorised in writing by the Issuer, may attend and speak at a meeting of Noteholders, but will not be entitled to vote, other than as a Noteholder or proxy or duly authorised representative of a Noteholder.
- 19.1.3. A meeting of Noteholders will have the power, in addition to all powers specifically conferred elsewhere in the Terms and Conditions, by Extraordinary Resolution:
- 19.1.3.1. of the Noteholders to bind all of the Noteholders to any compromise or arrangement; or
- 19.1.3.2. of the Noteholders of a particular Series of Notes to agree to any variation or modification of any rights of the Noteholders of that Series which will then bind all of the Noteholders of such Series to such variation or modification of the rights of the Noteholders of that Series; or
- 19.1.3.3. of the Noteholders of a particular Class of Notes to agree to any variation or modification of any rights of the Noteholders of that Class which will then bind all of the Noteholders of such Class to such variation or modification of the rights of the Noteholders of that Class.
- 19.1.4. Unless otherwise specified, resolutions of Noteholders will require an Ordinary Resolution to be passed.

19.2. Convening of meetings

- 19.2.1. The Issuer may at any time convene a meeting of Noteholders or separate meetings of Noteholders of any Series or Class of Notes (a "meeting" or the "meeting").
- 19.2.2. The Issuer will convene (i) a meeting of Noteholders upon the requisition in writing of Noteholders holding not less than 10% of the aggregate outstanding Nominal Amount of

all of the Notes or (ii) a separate meeting of Noteholders of any Series or Class of Notes upon the requisition in writing of the Noteholders in that Series or Class holding not less than 10% of the aggregate outstanding Nominal Amount of the Notes held by that Series or Class, as the case may be (a "requisition notice").

19.2.3. Whenever the Issuer wishes to convene a meeting, it will forthwith give notice in writing to the Noteholders in the manner prescribed in Condition 17 of the place, day and hour of the meeting, the nature of the business to be transacted at the meeting and the resolutions to be proposed and considered at the meeting.

19.2.4. All meetings of Noteholders will be held in Johannesburg or such other city as the Issuer may specify in the notice.

19.2.5. The Issuer may conduct a meeting of Noteholders entirely by electronic communication (as defined in the Companies Act) or provide for participation in a meeting by electronic communication. Accordingly, one or more Noteholders, or proxies for Noteholders, may participate by electronic communication in all or part of any Noteholder meeting that is being held in person, so long as the electronic communication employed ordinarily enables all persons participating in that meeting to communicate concurrently with each other and without an intermediary, and to participate reasonably effectively in the meeting. Any notice of any meeting of Noteholders at which it will be possible for Noteholders to participate by way of electronic communication shall inform Noteholders of the ability to so participate and shall provide any necessary information to enable Noteholders or their proxies to access the available medium or means of electronic communication, provided that such access shall be at the expense of the Noteholder or proxy concerned.

19.3. **Requisition**

19.3.1. A requisition notice will state the nature of the business for which the meeting is to be held and the resolutions to be proposed and considered at the meeting and will be delivered to the Specified Office of the Issuer.

19.3.2. A requisition notice may consist of several documents in like form, each signed by one or more requisitionists.

19.4. **Convening of meetings demanded by requisitionists**

19.4.1. Upon receipt of a requisition notice, the Issuer will:

19.4.1.1. immediately, inform the JSE in writing of the demand for a meeting and the nature of the business for which the meeting is to be held;

19.4.1.2. immediately release an announcement through SENS that a requisition notice has been received and specifying the place, day and time of the meeting to be held;

19.4.1.3. within 5 Business Days of receipt of the requisition notice, deliver written notice to each Noteholder (in accordance with Condition 15), specifying the place, day and time of the meeting, the nature of the business for which the meeting is to be held and the resolutions to be proposed and considered at the meeting; and

19.4.1.4. within 2 Business Days of the meeting, release an announcement through SENS as to the outcome of the meeting.

19.4.2. The date of the meeting shall not exceed 7 Business Days from the date of delivery of the written notice convening the meeting.

19.4.3. The written notice of meeting shall allow for a pre-meeting of the Noteholders (without the presence of the Issuer) at the same place and on the same day as the meeting of Noteholders, at least 2 hours before the scheduled meeting of Noteholders.

19.4.4. In accordance with Condition 19.10, voting shall only take place on a poll and not on a show of hands.

19.4.5. The Noteholders will, by Ordinary Resolution, elect a chair to preside over the meeting.

19.4.6. The requisitionists who demanded the meeting may, prior to the meeting, withdraw the requisition notice by notice in writing to the Issuer, copied to the JSE. The Issuer may

cancel the meeting if as a result of one or more of the demands being withdrawn, the voting rights of the remaining requisitionists fail to meet the required percentage referred to in Condition 9.2.2 to call a meeting.

- 19.4.7. In the event of the liquidation, business rescue or curatorship of the Issuer, the inability of the Issuer to pay its debts as they fall due or the Issuer becoming "financially distressed" as contemplated in the Companies Act, the reference to 5 Business Days in Condition 19.4.1.3 is reduced to 2 Business Days and the reference to 7 Business Days in Condition 19.4.2 is reduced to 5 Business Days.
- 19.4.8. If the Issuer does not deliver written notice to convene a meeting within the timelines referred to above, then without prejudice to any other remedy, the requisitionists may themselves convene the meeting, which will be convened as nearly as possible in the same manner as that in which meetings demanded by requisitionists ought to have been convened by the Issuer. Whenever the requisitionists are about to so convene any such meeting, requisitionists shall forthwith give notice of the meeting to the Issuer.
- 19.4.9. The provisions of this Condition in respect of meetings demanded by requisitionists will prevail in the event of any conflict with any other provision in the Terms and Conditions.

19.5. **Notice of meeting**

Unless every Noteholder or Noteholder of a Series or Class of Notes, as the case may be, who is entitled to exercise voting rights in respect of any item on the meeting agenda is present at the meeting and votes for a shorter minimum notice period, at least 15 Business Days written notice, specifying the place, day and time of the meeting, the nature of the business for which the meeting is to be held and the resolutions to be proposed and considered at the meeting, will be given to each Noteholder and to the Issuer if applicable.

19.6. **Quorum**

- 19.6.1. A quorum at a meeting shall:
 - 19.6.1.1. for the purposes of considering an Ordinary Resolution, consist of Noteholders present in person or by proxy and holding in the aggregate not less than one-third of the aggregate outstanding Nominal Amount of the Notes or Series or Class of Notes, as the case may be;
 - 19.6.1.2. for the purposes of considering an Extraordinary Resolution, consist of Noteholders present in person or by proxy and holding in the aggregate not less than a majority of the aggregate outstanding Nominal Amount of the Notes or Series or Class of Notes, as the case may be.
- 19.6.2. No business will be transacted at a meeting of the Noteholders unless a quorum is present at the time when the meeting proceeds to business.
- 19.6.3. If, within 15 minutes from the time appointed for the meeting, a quorum is not present, the meeting will, if it was convened on the requisition of Noteholders, be dissolved. In every other case the meeting will stand adjourned to the same day in the third week thereafter, at the same time and place, or if that day is not a Business Day, the next succeeding Business Day. If at such adjourned meeting a quorum is not present the Noteholders present in person or by proxy will constitute a quorum for the purpose of considering any resolution, including an Extraordinary Resolution.

19.7. **Chairman**

The chairman of the meeting shall be appointed by the Issuer. If the Issuer or the person appointed by the Issuer to preside as chairman of the meeting is not present within 10 minutes of the time appointed for the holding of the meeting, the Noteholders then present will choose one of their own to preside as chairman.

19.8. **Adjournment**

- 19.8.1. Subject to the provisions of this Condition 19, the chairman may, with the consent of, and will on the direction of, the meeting adjourn the meeting from time to time and from place to place.

19.8.2. No business will be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place.

19.8.3. At least 14 days written notice of the place, day and time of an adjourned meeting will be given by the Issuer to each Noteholder. In the case of a meeting adjourned in terms of Condition 19.8.3, the notice will state that the Noteholders present in person or by proxy at the adjourned meeting will constitute a quorum.

19.9. **How questions are decided**

19.9.1. At a meeting, a resolution put to the vote will be decided on a poll.

19.9.2. In the case of an equality of votes, the chairman will not be entitled to a casting vote in addition to the vote, if any, to which he is entitled.

19.10. **Votes**

Voting shall only take place on a poll and not on a show of hands. On a poll every Noteholder, present in person or by proxy, will be entitled to one vote in respect of each ZAR1.00 in Notes held. In relation to joint Noteholders, the vote may be exercised only by that Noteholder whose name appears first on the Register in the event that more than one of such Noteholders is present, in person or by proxy, at the meeting. The Noteholder in respect of Notes held in the Central Securities Depository in uncertificated form shall vote at any such meeting on behalf of the holders of Beneficial Interests in such Notes in accordance with the instructions to the Central Securities Depository from the holders of Beneficial Interests conveyed through the Participants in accordance with the Applicable Procedures.

19.11. **Proxies and representatives**

19.11.1. Noteholders present either in person or by proxy may vote on a poll. A Noteholder may by an instrument in writing (a "proxy form") signed by the Noteholder (or his duly authorised agent) or, in the case of a juristic person, signed on its behalf by a duly authorised officer of the juristic person, appoint any person (a "proxy" or "proxies") to act on his or its behalf in connection with any meeting or proposed meeting.

19.11.2. A person appointed to act as proxy need not be a Noteholder.

19.11.3. The proxy form will be deposited at the Specified Office of the Issuer or at the Specified Office of the Transfer Agent, as the case may be, and a copy sent to the Debt Sponsor, at any time before the proxy exercises the rights of the Noteholder at the meeting or adjourned meeting at which the person named in such proxy proposes to vote.

19.11.4. No proxy form will be valid after the expiration of 6 months from the date named in it as the date of its execution.

19.11.5. Notwithstanding Condition 19.11.4, a proxy form will be valid for any adjourned meeting, unless the contrary is stated thereon.

19.11.6. A vote given in accordance with the terms of a proxy form will be valid notwithstanding the previous death or incapacity of the principal or revocation or amendment of the proxy form or of any of the Noteholder's instructions pursuant to which the proxy form was executed or of the authority under which the proxy form was executed or the transfer of Notes in respect of which the proxy was given, provided that no intimation in writing of such death, incapacity, revocation or amendment shall have been received by the Issuer at its Specified Office or the Transfer Agent at its Specified Office, as the case may be, more than, and that the transfer has been given effect to less than, 12 hours before the commencement of the meeting or adjourned meeting at which the proxy is to be used.

19.11.7. Any Noteholder which is a juristic person may authorise any person to act as its representative in connection with any meeting or proposed meeting of Noteholders by resolution of the directors or other governing body of the juristic person. Any reference in the Terms and Conditions to a Noteholder present in person includes the duly authorised representative of a Noteholder which is a juristic person.

19.12. **Minutes**

- 19.12.1. The Issuer will cause minutes of all resolutions and proceedings of meetings to be duly entered in the minute books of the Issuer.
- 19.12.2. Any such minutes as aforesaid, if purporting to be signed by the chairman of the meeting at which such resolutions were passed or proceedings held or by the chairman of the next succeeding meeting, will be receivable in evidence without any further proof, and until the contrary is proved, a meeting of Noteholders or Noteholders of a Series or Class, as the case may be, in respect of the proceedings of which minutes have been so made will be deemed to have been duly held and convened and all resolutions passed thereat, or proceedings held, to have been duly passed and held.

19.13. **Written Resolutions**

A resolution in writing submitted to the Noteholders or Noteholders of a Series or Class, as the case may be, entitled to exercise voting rights in relation to the resolution, and signed by Noteholders holding more than 50% in the case of a matter to be adopted by Ordinary Resolution or at least 66.67% in the case of a matter to be adopted by Extraordinary Resolution, of the outstanding Nominal Amount of the Notes or Series of Notes or Class of Notes, as the case may be, within 20 Business Days after the written resolution was submitted to such Noteholders, shall be as valid and effective as if it had been passed at a meeting duly convened and constituted and shall be deemed (unless a statement to the contrary is made in that resolution) to have been passed on the day on which that resolution is signed by the last of the Noteholders or Noteholders of a Series or Class, as the case may be who signed it. That resolution may consist of two or more documents in the same form each of which is signed by one or more of the Noteholders or Noteholders of a Series or Class, as the case may be. Each Noteholder shall, promptly after signature of the resolution by it, submit a copy of the resolution as signed by it to the Issuer. Within 10 Business Days after adoption of the resolution, the Issuer shall notify all the Noteholders or Series or Class of Noteholders, as the case may be, of the results of the resolution put to the vote in writing as contemplated in this Condition 19.13.

20. **NO VOTING RIGHTS ON NOTES HELD BY THE ISSUER OR ANY SUBSIDIARY**

None of the Issuer or any Subsidiary will have any voting rights in respect of Notes which are beneficially held by or on behalf of the Issuer or any Subsidiary.

21. **FURTHER ISSUES**

The Issuer shall be at liberty from time to time without the consent of the Noteholders to create and issue further Notes having terms and conditions the same as any of the other Notes issued under the Programme or the same in all respects save for the amount and date of the first payment of interest thereon, the Issue Price and the Issue Date, so that the further Notes shall be consolidated to form a single Series with the Outstanding Notes.

22. **GOVERNING LAW**

- 22.1. These Terms and Conditions and all rights and obligations to the Notes are governed by, and shall be construed in accordance with, the laws of South Africa in force from time to time.
- 22.2. Subject to the provisions of Condition 9.6.6, the High Court of South Africa (Gauteng Local Division, Johannesburg) is to have non-exclusive jurisdiction to settle any disputes which may arise out of or in connection with the Terms and Conditions or the Notes, as the case may be, and accordingly any legal action or proceedings arising out of or in connection with the Terms and Conditions or the Notes, as the case may be, may be brought in such court.

USE OF PROCEEDS

Capitalised terms used in this section headed "Use of Proceeds" shall bear the same meanings as used in the Terms and Conditions, except to the extent that they are separately defined in this section or this is clearly inappropriate from the context.

For purposes of the Commercial Paper Regulations it is recorded that the "*Ultimate Borrower*", as defined in the Commercial Paper Regulations, of the net proceeds from each Tranche of Notes will be the Issuer, unless otherwise indicated in the Applicable Pricing Supplement.

The proceeds from each issue of Notes will be applied by the Issuer for its general corporate purposes, or as may otherwise be described in the Applicable Pricing Supplement.

DESCRIPTION OF REDEFINE PROPERTIES LIMITED

Incorporated by reference to the Integrated Report which can be found at the following link on our website: <http://www.redefine.co.za/investors/integrated-reports/latest-integrated-reports>.

The Issuer is in compliance with the provisions of the Companies Act. The Issuer is acting in conformity with its memorandum of incorporation.

INVESTOR CONSIDERATIONS

Capitalised terms used in this section headed “Investor Considerations” shall bear the same meanings as used in the Terms and Conditions, except to the extent that they are separately defined in this section or this is clearly inappropriate from the context.

The Issuer believes that the factors outlined below may affect its ability to fulfil its obligations under the Notes. All of these factors are contingencies which may or may not occur and the Issuer is not in a position to express a view on the likelihood of any such contingency occurring. In addition, factors which are material for the purpose of assessing the market risks associated with the Notes are also described below. The value of the Notes could decline due to any of these risks, and investors may lose some or all of their investment.

The Issuer believes that the factors described below represent the principal risks inherent in investing in the Notes, but the inability of the Issuer to pay interest, principal or other amounts on or in connection with any Notes may occur for other reasons which may not be considered significant risks by the Issuer based on information currently available to it, or which it may not currently be able to anticipate. Accordingly, the Issuer does not represent that the statements below regarding the risks of holding any Notes are exhaustive.

Prospective investors should also read the detailed information set out elsewhere in this Programme Memorandum to reach their own views prior to making any investment decision.

References below to the “Terms and Conditions”, in relation to Notes, shall mean the “Terms and Conditions of the Notes” set out under the section of this Programme Memorandum headed “Terms and Conditions of the Notes”.

Factors that may affect the Issuer’s ability to fulfil its obligations under Notes issued under the Programme

Risks Relating to the Notes

The Notes may not be a suitable investment for all investors

Each potential investor in any Notes must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- have sufficient knowledge and experience to make a meaningful evaluation of the Notes, the merits and risks of investing in the Notes and the information contained or incorporated by reference in this Programme Memorandum or any applicable supplement;
- have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Notes and the impact such an investment will have on its overall investment portfolio;
- have sufficient financial resources and liquidity to bear all of the risks of an investment in the Notes, including Notes with principal or interest payable in one or more currencies, or where the currency for principal or interest payments is different from the potential investor’s currency;
- understand thoroughly the terms of the Notes and be familiar with the behaviour of any relevant indices and financial markets; and
- be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Some Notes are complex financial instruments. Sophisticated institutional investors generally do not purchase complex financial instruments as stand-alone investments. They purchase complex financial instruments as a way to reduce risk or enhance yield with an understood, measured and appropriate addition of risk to their overall portfolios. A potential investor should not invest in Notes which are complex financial instruments unless it has the expertise (either alone or with a financial adviser) to evaluate how the Notes will perform under changing conditions, the resulting effects on the value of the Notes and the impact this investment will have on the potential investor's overall investment portfolio.

There is no active trading market for the Notes

Notes issued under the Programme will be new securities which may not be widely distributed and for which there is currently no active trading market (unless in the case of any particular Tranche, such Tranche is to be consolidated with and form a single series with a Tranche of Notes which is already issued). If the Notes are traded after their initial issuance, they may trade at a discount to their initial offering price, depending upon prevailing interest rates, the market for similar securities, general economic conditions and the financial condition of the Issuer. There is no assurance as to the development or liquidity of any trading market for any particular Tranche of Notes.

The Notes may be redeemed prior to maturity

Unless in the case of any particular Tranche of Notes the Applicable Pricing Supplement specifies otherwise, in the event that the Issuer would be obliged to increase the amounts payable in respect of any Notes due to any withholding or deduction for or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of the government of South Africa or any political subdivision thereof or any authority therein or thereof having power to tax, the Issuer may redeem all outstanding Notes in accordance with the Conditions.

In addition, if in the case of any particular Tranche of Notes the Applicable Pricing Supplement specifies that the Notes are redeemable at the Issuer's option in certain other circumstances, the Issuer may choose to redeem the Notes at times when prevailing interest rates may be relatively low. In such circumstances an investor may not be able to reinvest the redemption proceeds in a comparable security at an effective interest rate as high as that of the relevant Notes.

Because uncertificated Notes are held by or on behalf of the CSD, investors will have to rely on their procedures for transfer, payment and communication with the Issuer

Notes issued under the Programme which are listed on the Interest Rate Market of the JSE or such other or additional Financial Exchange and/or immobilised in the CSD may, subject to applicable laws and the Applicable Procedures, be issued in uncertificated form. Unlisted Notes may also be lodged and immobilised in the CSD in uncertificated form. Notes held in the CSD will be issued, cleared and settled in accordance with the Applicable Procedures through the electronic settlement system of the CSD. Except in the limited circumstances described in the Terms and Conditions, investors will not be entitled to receive Individual Certificates. The CSD will maintain records of the Beneficial Interests in Notes and/or issued in uncertificated form, which are held in the CSD (whether such Notes are listed or unlisted). Investors will be able to trade their Beneficial Interests only through the CSD and in accordance with the Applicable Procedures.

Payments of principal and/or interest in respect of uncertificated Notes will be made to the CSD and/or the Participants and the Issuer will discharge its payment obligations under the Notes by making payments to or to the order of the CSD and/or the Participants for distribution to their account holders. A holder of a Beneficial Interest in uncertificated Notes, whether listed or unlisted, must rely on the procedures of the CSD to receive payments under the relevant Notes. Each investor shown in the records of the CSD and/or the Participants, as the case may be, shall look solely to the CSD or the Participant, as the case may be, for his share of each payment so made by the Issuer to the registered holder of such uncertificated Notes. The Issuer has no responsibility or liability for the records relating to, or payments made in respect of, such Beneficial Interests.

Holders of Beneficial Interests in uncertificated Notes will not have a direct right to vote in respect of the relevant Notes. Instead, such holders will be permitted to act only to the extent that they are enabled by the CSD to appoint appropriate proxies.

Credit Rating

Tranches of Notes issued under the Programme, the Issuer and/or the Programme, as the case may be, may be rated or unrated. A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, reduction or withdrawal at any time by the assigning rating agency. Any adverse change in an applicable credit rating could adversely affect the trading price for the Notes issued under the Programme.

Property assets provided as security to other funders may result in Noteholders being subordinated in terms of access to security

The raising of funding to acquire properties typically requires the provision of the acquired property as security, which may result in other funders to the business having primary access to assets as security and unsecured Noteholders only having a residual claim against these assets.

Risks related to the structure of the particular issue of Notes

A wide range of Notes may be issued under the Programme. A number of these Notes may have features which contain particular risks for potential investors. Set out below is a description of certain such features:

Notes subject to optional redemption by the Issuer

An optional redemption feature is likely to limit the market value of the Notes. During any period when the Issuer may elect to redeem the Notes, the market value of those Notes generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period. The Issuer may be expected to redeem Notes when its cost of borrowing is lower than the interest rate on the Notes. At those times, an investor generally would not be able to re-invest the redemption proceeds at an effective interest rate as high as the interest rate on the Notes being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

Index-Linked and Dual Currency Notes

The Issuer may issue Notes the terms of which provide for interest or principal payable in respect of such Note to be determined by reference to an index or formula, to changes in the prices of securities or commodities, to movements in currency exchange rates or other factors (each, a “**Relevant Factor**”) or with principal or interest payable in one or more currencies which may be different from the currency in which the Notes are denominated. Potential investors should be aware that:

- the market price of such Notes may be volatile;
- no interest may be payable on such Notes;
- payments of principal or interest on such Notes may occur at a different time or in a different currency than expected;
- the amount of principal payable at redemption may be less than the nominal amount of such Notes or even zero;
- a Relevant Factor may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other indices;
- if a Relevant Factor is applied to Notes in conjunction with a multiplier greater than one or contains some other leverage factor, the effect of changes in the Relevant Factor on principal or interest payable is likely to be magnified; and
- the timing of changes in a Relevant Factor may affect the actual yield to investors, even if the average level is consistent with their expectations. In general, the earlier the change in the Relevant Factor, the greater the effect on yield.

Notes issued at a substantial discount or premium

The market values of securities issued at a substantial discount or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

Modification and waivers and substitution

The Conditions contain provisions for calling meetings of Noteholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Noteholders including Noteholders who did not attend and vote at the relevant meeting and Noteholders who voted in a manner contrary to the majority.

Change of law

The Notes are governed by, and will be construed in accordance with, South African law in effect as at the Programme Date. No assurance can be given as to the impact of any possible judicial decision or change to South African law or administrative practice in either such jurisdiction after the Programme Date.

SUBSCRIPTION AND SALE

Capitalised terms used in this section headed "Subscription and Sale" shall bear the same meanings as used in the Terms and Conditions, except to the extent that they are separately defined in this section or this is clearly inappropriate from the context.

The Dealers have in terms of the programme agreement dated 29 August 2011, as may be amended, supplemented or restated from time to time (the "**Programme Agreement**"), agreed with the Issuer a basis upon which it may from time to time agree to subscribe for Notes or procure the subscription of the Notes.

Selling restrictions

South Africa

Prior to the issue of any Tranche of Notes under the Programme by the Issuer, each Dealer for that Tranche of Notes will be required to represent and agree that it will not offer or solicit any offers for subscription or sale of the Notes in that Tranche of Notes, and will itself not sell Notes, in South Africa except, in accordance with the Companies Act, the Banks Act, 1990, the Exchange Control Regulations and/or any other applicable laws or regulations of South Africa in force from time to time. In particular, without limitation, the Programme Memorandum does not, nor is it intended to, constitute a registered prospectus (as that term is defined in the Companies Act) and each Dealer for that Tranche of Notes will be required to represent and agree that it will not make "an offer to the public" (as that term is defined in the Companies Act) of any of the Notes (whether for subscription or sale). Notes will not be offered for subscription to any single addressee acting as principal for an amount of less than R1 000 000.

United States

The Notes have not been and will not be registered under the United States Securities Act, 1933, as amended (the "**Securities Act**") and may not be offered or sold within the United States or to, or for the account of or benefit of, U.S. persons except in certain transactions exempt from the registration requirements of the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

Prior to the issue of any Tranche of Notes under the Programme by the Issuer, each Dealer for that Tranche of Notes will be required to represent and agree that:

- (i) the Notes in that Tranche have not been and will not be registered under the Securities Act and may not be offered or sold within the United States or to, or for the account of or benefit of, U.S. persons except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act;
- (ii) it has not offered, sold or delivered any Notes in that Tranche, and will not offer, or sell or deliver, any Notes within the United States except in accordance with Rule 903 of Regulation S under the Securities Act or pursuant to an available exemption from the registration requirements of the Securities Act; and;
- (iii) it, its affiliates and any persons acting on its or any of its affiliates' behalf have not engaged and will not engage in any directed selling efforts with respect to the Notes in that Tranche and it, its affiliates and any persons acting on its or any of its affiliates' behalf have complied and will comply with the offering restrictions requirements of Regulation

European Economic Area

In relation to each Member State of the European Economic Area which has implemented the prospectus directive (each, a "Relevant Member State"), each of the Issuer and Dealer(s) has represented and agreed that, with effect from and including the date on which the prospectus directive is implemented in that Relevant Member State (the "**Relevant Implementation Date**"), it has not made, and will not make an offer of Notes to the public in that Relevant Member State except that it may, with

effect from and including the Relevant Implementation Date, make an offer of Notes to the public in that Relevant Member State:

- (a) at any time to any legal entity which is a qualified investor as defined in the Prospectus Directive;
- (b) any time to fewer than 150 natural or legal persons (other than qualified investors defined in the Prospectus Directive) subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the Issuer for any such offer; or
- (c) at any time in any other circumstances which do not require the publication by the Issuer of a prospectus pursuant to Article 3 of the Prospectus Directive, or pursuant to any applicable national law of any Relevant Member State.

provided that no such offer of the Notes referred to in (a) to (c) above shall require the Issuer or any Dealer to publish a prospectus pursuant to article 3 of the Prospectus Directive.

For the purposes of this provision, the expression an "offer of Notes to the public" in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe for the Notes, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State and the expression "**Prospectus Directive**" means Directive 2003/71/EC (as amended, including by Directive 2010/73/EU) and includes any relevant implementing measure in the Relevant Member State.

United Kingdom

Prior to the issue of any Tranche of Notes under the Programme by the Issuer, each Dealer for that Tranche of Notes will be required to represent and agree that:

- (a) No deposit-taking: in relation to any of the Securities in that Tranche which have a maturity of less than one year, (i) it is a person whose ordinary activities involve it in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of its business and (ii) it has not offered or sold, and will not offer or sell, any Notes in that Tranche other than to persons whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of their businesses or who it is reasonable to expect will acquire, hold, manage or dispose of investments (as principal or agent) for the purposes of their businesses where the issue of such Securities would otherwise constitute a contravention of section 19 of the Financial Services and Markets Act, 2000 (the "**FSMA**") by the Issuer;
- (b) Financial promotion: it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of Section 21 of the FSMA) received by it in connection with the issue or sale of the Notes in circumstances in which Section 21(1) of the FSMA does not apply to the Issuer; and
- (c) General compliance: it has complied with and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to the Notes in, from or otherwise involving the United Kingdom.

General

Prior to the issue of any Tranche of Notes under the Programme, each Dealer who has (or will have) agreed to place that Tranche of Notes will be required to agree that:

- (a) it will (to the best of its knowledge and belief) comply with all applicable securities laws and regulations in force in each jurisdiction in which it purchases, subscribes or procures the subscription for, offers or sells Notes in that Tranche or has in its possession or distributes the

Programme Memorandum and will obtain any consent, approval or permission required by it for the purchase, subscription, offer or sale by it of Notes in that Tranche under the laws and regulations in force in any jurisdiction to which it is subject or in which it makes such purchases, subscription, offers or sales;

- (b) it will comply with such other or additional restrictions as the Issuer and such Dealer agree and as are set out in the Applicable Pricing Supplement.

Neither the Issuer nor any of the Dealers represent that Notes may at any time lawfully be subscribed for or sold in compliance with any applicable registration or other requirements in any jurisdiction or pursuant to any exemption available thereunder or assumes any responsibility for facilitating such subscription or sale.

SOUTH AFRICAN TAXATION

Capitalised terms used in this section headed "South African Taxation" shall bear the same meanings as used in the Terms and Conditions, except to the extent that they are separately defined in this section or this is clearly inappropriate from the context.

The comments below are intended as a general guide to the relevant tax laws of South Africa as at the date of the Programme Memorandum. The contents of this section headed "South African Taxation" do not constitute tax advice and do not purport to describe all of the considerations that may be relevant to a prospective subscriber for or purchaser of any Notes. Prospective subscribers for or purchasers of any Notes should consult their professional advisers in this regard.

1. Residents

A natural person is a resident of South Africa for tax purposes if (i) he is ordinarily resident in South Africa, or (ii) he is not ordinarily resident in South Africa but is physically present in South Africa for certain periods specified in the Income Tax Act, 1962 (the "**Income Tax Act**"). A juristic person is a resident of South Africa for tax purposes if it is incorporated, established or formed in South Africa or if it has its place of effective management in South Africa.

South African tax residents are subject to SA Tax on their worldwide income. A non-resident is subject to SA Tax only in respect of income derived from a South African source.

The Issuer

The Issuer is a South African tax resident and is accordingly subject to SA Tax.

2. Securities Transfer Tax

No securities transfer tax will be payable, in terms of the South African Securities Transfer Tax Act, 2007, in respect of either the issue of the Notes or on the subsequent transfer of the Notes on the basis that the Notes will not comprise a "security" as defined in section 1 of the Securities Transfer Tax Act.

3. Withholding Tax

Section 50B of the Income Tax Act imposes a withholding tax on interest payments to persons who are not regarded as resident in South Africa for tax purposes, where the interest is sourced in South Africa. The withholding tax is levied at a rate of 15% (fifteen percent) but could be reduced by relevant double taxation treaties.

Withholding tax on interest in respect of certain debt instruments (which include any Notes issued under the Programme) may thus be applicable to persons who are regarded as non-residents for tax purposes in South Africa. There are exemptions, which include interest paid in respect of debt listed on a recognised exchange. The JSE Limited would qualify as such an exchange. Should this exemption be repealed, non-resident Noteholders may rely on the relief afforded in terms of relevant double taxation agreements. In the event that such withholding or deduction is required by law, the Issuer will be obliged to pay additional amounts in relation thereto, subject to exceptions, as described in Condition 10.

Under current taxation law in South Africa, all payments made under the notes to resident Noteholders will be made free of withholding or deduction for or on account of any taxes, duties, assessments or governmental charges.

4. Income Tax

Nature of any original issue discount or premium.

Any original issue discount to the face value of the Notes will be treated as interest for tax purposes and will be deemed to accrue to the Noteholder on a day-to-day basis until maturity or until such time as such Noteholder disposes of its beneficial interest in the Note. The amount to be included in the Noteholder's gross income is normally calculated on a yield to maturity basis.

Any original issue premium will be added to the face value of the Notes to determine the initial amount that will be used to determine the interest that is deemed, under Section 24J of the Income Tax Act, to have been incurred or to have accrued in respect of the Notes.

5. Position in respect of the current tax year

Under current taxation law in South Africa:

- 5.1.1 a person ordinarily resident in South Africa will, subject to available exemptions and deductions, be taxed on their worldwide income; and
- 5.1.2 a person not ordinarily resident in South Africa is exempt from tax in South Africa on any interest received or accrued on the Notes, unless that person:
- 5.1.3 was a natural person who was physically present in South Africa for a period exceeding 183 (one hundred and eighty three) days in aggregate in the tax year; or
- 5.1.4 at any time during this tax year carried on business through a permanent establishment in South Africa.

Interest received by Noteholders who are tax resident in South Africa will be included in gross income on a yield-to-maturity basis in accordance with the terms of section 24J of the Income Tax Act.

Interest is deemed to be from a source in South Africa where the interest incurred is attributable to an amount incurred by a person that is tax resident in South Africa. Such interest is included in gross income of the recipient and may or may not be subject to exemption.

6. Capital gains

Any disposal of the Notes by a Noteholder who is resident in South Africa prior to their redemption may be subject to Capital Gains Tax, where applicable.

Capital gains are taxable at normal tax rates, but in the case of a natural person only 40% (forty percent) of the gain is taxable, and in the case of companies and trusts, 80% (eighty percent) of the capital gain is taxable.

Noteholders who are not tax resident in South Africa will generally not be subject to capital gains tax (if any) on the disposal of the Notes unless the Notes are assets of a permanent establishment or in respect of immovable property or an interest or right of whatever nature in or to immovable property situated in South Africa. In the event that the Notes comprise an interest in immovable property any purchaser of a Note from a person who is regarded as a non-resident for tax purposes, may be subject to a withholding obligation in respect of the purchase consideration payable by the seller in terms of section 35A of the Income Tax Act. The amount to be withheld is determined with reference to a percentage depending on the juristic nature of the seller and may be subject to certain exemptions

SOUTH AFRICAN EXCHANGE CONTROL

Capitalised terms used in this section headed “South African Exchange Control” shall bear the same meanings as used in the Terms and Conditions, except to the extent that they are separately defined in this section or this is clearly inappropriate from the context.

The information below is intended as a general guide to the position under the Exchange Control Regulations as at the Programme Date. The Exchange Control Regulations are subject to change at any time without notice. The contents of this section headed “South African Exchange Control” do not constitute exchange control advice and do not purport to describe all of the considerations that may be relevant to a prospective subscriber for or purchaser of any Notes. Prospective subscribers for or purchasers of any Notes should consult their professional advisers in this regard.

Non-South African resident Noteholders and emigrants from the Common Monetary Area

Dealings in the Notes and the performance by the Issuer of its obligations under the Notes and the Applicable Terms and Conditions may be subject to the Exchange Control Regulations.

Blocked Rand

Blocked Rand may be used for the subscription for or purchase of Notes. Any amounts payable by the Issuer in respect of the Notes subscribed for or purchased with Blocked Rand may not, in terms of the Exchange Control Regulations, be remitted out of South Africa or paid into any non-South African bank account. For the purposes of this clause, “Blocked Rands” are defined as funds which may not be remitted out of South Africa or paid into a non-South African resident’s bank account. The relevant legislation relating to Blocked Rand is the Regulations promulgated under the Currency and Exchanges Act, 1933, as amended.

Emigrants from the Common Monetary Area

Any Individual Certificates issued to Noteholders who are emigrants from the Common Monetary Area will be endorsed “*emigrant*”. Such restrictively endorsed Individual Certificates shall be deposited with an authorised foreign exchange dealer controlling such emigrant’s blocked assets.

In the event that a Beneficial Interest in Notes is held by an emigrant from the Common Monetary Area through the CSD, the securities account maintained for such emigrant by the relevant Participant will be designated as an “*emigrant*” account.

Any payments of interest and/or principal due to a Noteholder who is an emigrant from the Common Monetary Area will be deposited into such emigrant Noteholder’s Blocked Rand account, as maintained by an authorised foreign exchange dealer. The amounts are not freely transferable from the Common Monetary Area and may only be dealt with in terms of the Exchange Control Regulations.

Non-residents of the Common Monetary Area

Any Individual Certificates issued to Noteholders who are not resident in the Common Monetary Area will be endorsed “*non-resident*”. In the event that a Beneficial Interest in Notes is held by a non-resident of the Common Monetary Area through the CSD, the securities account maintained for such Noteholder by the relevant Participant will be designated as a “*non-resident*” account.

It will be incumbent on any such non-resident Noteholder to instruct the non-resident’s nominated or authorised dealer in foreign exchange as to how any funds due to such non-resident in respect of Notes are to be dealt with. Such funds may, in terms of the Exchange Control Regulations, be remitted abroad only if the relevant Notes are acquired with foreign currency introduced into South Africa and provided that the relevant Individual Certificate has been endorsed “*non-resident*” or the relevant securities account has been designated as a “*non-resident*” account, as the case may be.

For purposes of this section, “**Common Monetary Area**” means South Africa, Lesotho, Namibia, and Swaziland.

The Issuer is domiciled and incorporated in South Africa and as such is not required to obtain exchange control approval.
